Nolay with your eyes peeled !

Find where all these photos were taken as you stroll around with **your eyes peeled!**

But be careful as you take in the sights!
Watch out for pavements, cars and other passers-by!

Under each photo, note the address (no. and street) or the building bearing the detail pictured.

Also, answer the questions, to which you can read the answer if you're just watching!

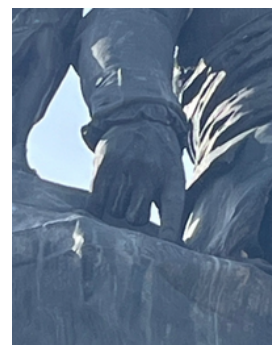

Enjoy your walk discovering **the roofs of Nolay** and hundreds of skylights that give you the eye!
